9. Subdivision Ordinance Modification Request Concerning Driveway Separation

PARCEL ID# 020240809-04.05 on Newly Proposed Lot

- Four residents from the area are here today in attendance
- Jordan Road residents are part of this Collector Road.
- The driveway access separation standard is 300 feet for collector roadways.
- The applicant is requesting a modification of Subdivision Ordinance to allow driveway access on the newly proposed lot on Jordan road at a reduced separation distance of 150 feet from the adjacent driveway.
- Frank Sniadajewski wants to set up for future use. No plans for it to be used as of now.
- Neighbors say that they are fine with it. Residents were invited to come and speak on the subject.
- Need to approve driveway request before approving the lot split.
- Motion to Approve driveway request
- **1st** Mark Fritsche **2nd** Robin Lipski **ALL AYES**

- Motion to Approve the lot split request for 020240808-04.01
- **1st** Jan Way **2nd** Barb Brilowski **ALL AYES**

12. Intersection of Meadow View Lane and Green View Lane – Citizens(s) safety concerns

- Josh Roberts came to the Town Hall with safety concerns for stop sign concerns
- Town of Hull Roads collected statistics from 09.05.2023 until 09.11.2023 for Meadow View Lane and Greenview Lane to see the average daily count, speed and other data.
- Longtime resident Kathleen Martinsen for many years now has witnessed the growing dangers of this intersection. This area has kids that wait for the bus along with walkers and other children that play outside. People driving in this area are not slowing down. Many drivers in area do not stop or slow down at all at this intersection. It is important to get some kind of enforcement to make sure that people stop at stop sign. Branches on corner should be cut to ensure that all ways are safely visible.
- Neighbors would like the Town of Hull Board to send letter to all in area to warn them of this danger and the consequences for not following the law. Another thought is to put in speed bumps to make drivers slow down.

- Corner lot resident M. Zblewski -Seems to be worse on weekends. No one is even slowing down to go around curve.
- J. Roberts ask the board when is it enough, when someone’s kid gets hurt. Do we have to come back here in 5 years with the same problem that is still an issue? Tired of trying to get results from the Town.
- Six residents total here that all live on the corner area all voicing concerns for this intersection. Coming from town going to Meadow view you cannot even see properly due to branches in way.
- Road Foreman ask about how many people actually stop or just completely blow through that stop sign, residents say both are a problem. Seems to be the same people.
- Board assures residents that safety is a top priority.
- Already a three way stop with upcoming warning signs all know is a danger and still a problem.
- 7-9am and 4-6pm seems to be the worst times.
- Road Foremen discusses with residents possible solutions to this problem.
- Enforcement will be reached out to Portage County Sheriff within the next 24 hours. Letter out to residents.
- Motion to Move that the Town of Hull set up action plan including enforcement.
- **1st** Dave Wilz **2nd** Robin Lipski **ALL AYES**

13. Operator License Request

- Motion to Approve list of Bartender Licenses
- **1st** Robin Lipski **2nd** Barb Brilowski **ALL AYES**

14. Potential County pet license increases – for discussion only

- Portage County is raising the Dog License fees for the whole county. Board discusses the price increase. No reason was given for the price increase. Worried about residents in area not licensing dogs. Important that people license their dogs for the safety of the community.
- Motion to Accept Board Discussion
- **1st** Dave Wilz **2nd** Mark Fritsche **ALL AYES**

15. Adjournment 7:20 PM

- **1st** Robin Lipski **2nd** Barb Brilowski **ALL AYES**
