8. Story Book Trail – Update

- North Central Conservancy took ownership of land off of Rachick Road in Bukolt Park plus they also own the island. They were approached with the request of having the Story Book Trail in that area. They (Board of Directors) require additional information before a decision could be made.
- A Story Book Trail is now or is being installed at Lake Pacawa. This is an Eagle Scout Project. They did all the research by contacting the Village of Plover and also connected with the City of Stevens Point Public Library who will determine the appropriate books.
- The idea of a Story Book Trail seems to be catching on. Perhaps being part of something bigger would be an option versus developing a trail on our own by taking a community approach.
- Assistance would be required to maintain the trail as the Town of Hull would not be able to do all required maintaining it. We would need to partner with someone.
- Katrina will reach out to the Plover/Whiting library and continue to gather more information. Dave will reach out to the Village of Plover and Dan Kremer, Director of Parks and Recreation for Stevens Point. They will bring back information to share with the Park Commission at a future meeting.

9. Date of next meeting; July 11, 2023 at 6:30pm

10. Adjourn: Katrina made a motion to adjourn. Maurice-Second. Motion carried by voice vote.

Respectfully submitted,
