

BADGER BOOKS

ELECTRONIC POLL BOOKS

WHAT THEY ARE?

- They will replace the paper poll books
- Voters will digitally sign the screen
- Are **NOT** connected to the internet
- You will receive a blank paper ballot after checking in on the E-poll books to vote

WHAT DO THEY DO?

- Check in Voters
- Register New Voters
- Process Absentee Ballots

ARE THEY SAFE?

- These electronic devices are **NOT** connected to the internet and the security risk factors for the Badger Books are comparable to those using paper poll books. Badger Books do not process votes. After checking in you will receive your paper ballot to vote on the Express Vote machines before they are fed in to Tabulator to count your vote.
